## **DEBT RECOVERY COLLECTION INFORMATION**

I would like to take this opportunity to introduce FEDChex Recovery collection services. We have been servicing your industry nationwide since 2001 with debt recovery collections that average 5% - 10% higher than our nearest competitors. Why is that? Because we know that EVERY customer is very important to you and our team acts as an extension of your company. We adhere to the Fair Debt Collection Practices Act (FDCPA) which prohibits debt collectors from using abusive, unfair or deceptive practices to collect for you. We are Customer Service oriented, there is no harassment, and our goal is to help you retain your customer.

### **Here is a quick summary of our standard program and fees:**

Receivable Collections – FEDChex Recovery will attempt to collect for 120 days from date of placement through the means of phone calls, emails and letters. With no up-front cost, FEDChex Recovery only keeps a small percentage of the amount it collects. If the account is not collected within 120 days, FEDChex has the option to send your account to our Attorney Network for further collections. At this stage of collections, we have the option to affect credit through the major credit bureaus. During the entire process we provide complete online reporting for you to view status of your accounts as well ongoing changes. FEDChex Recovery hires and trains a professional multilingual staff to accommodate the need of your customers.

At FEDChex, we are entirely performance based. There Is No Upfront Cost, no credit card fees, no letter, phone or email fees, per item fees, etc...If The Debt Doesn't Get Paid, There's No Charge To You!
